## KELLOGG'S DINER IS UNDER NEW MANAGEMENT

We are proud and humbled to continue the long rich history of this beloved neighborhood eatery. The new management will respect the legacy of the diner and also incorporate some changes in the aesthetics, as well as the menu. Fan favorites will still be featured, but there will also be new offerings.

The renovation will take place early in 2024 with as little downtime as possible. We look forward to continuing the heritage of this beloved gem in the heart of Williamsburg.
